“ When I was a little girl my mother and I would visit him, my aunt, and cousins often. If we couldn't make it to them, he would think nothing of loading everyone up and making the trip to us. He always loved to tease everyone, play around, and make us laugh. I can remember so many good times. Even now when I'd talk to him on the phone he would tell me how proud of me he was, and that he loved me. HE ALWAYS MADE SURE TO TELL US THAT HE LOVED US no matter how he was feeling or what he was going through. Uncle Perry: we love you and hope you found your peace. See U On The Other Side!!!!

“ Eugene and I always enjoyed our visits and chatting with Perry, he always welcomed us into his home and was always so kind, one of the best memories I have of Perry is that he loved my sister and gave her a lot of years, to me, that's the best gift in this world, My heart is very heavy and sad. God has taken a wonderful soul. Everyone please keep sister Teresa in your prayers for God to guide her through the loss of her husband. Teresa has lost a few family members this past year and will need all our love and support we can give her.... GOD BE WITH MY SISSY!!

“ I think Uncle Perry likes to argue with people as much as Uncle Jake did. Me and Him, we sure had our moments but I genuinely love him and it feels like a huge piece of my childhood has been ripped away. Everyone we love is leaving us. Let's pull together family. We don't have many of us left. I love you Uncle Perry. God speed and may you rest peacefully forevermore.
