“ Aunt Polly always showed unconditional love. When I was growing up I'd spend my summers with Granny Kirk. And of course I'd run over to Aunt Polly's to play with the cousins. One of my most favorite memories was when she made me a doll (raggedy Ann). Another special moment was my first full bottle of Dr Pepper I felt so spoiled. I thought only grown ups could drink soda. The things that stick with you in life. That was just a hint of being around my Aunt Polly. I miss those days. She will be deeply missed.

“ Wyatt, Nancy, Bonnie, and Marcella, We were so sorry to hear about Polly. She was such a hard worker who could do about anything. I remember coming to her house. She was always so nice and sweet to everyone who came through her doors. She will be remembered with love. Cast your cares on Jesus for he cares for you and he will comfort you through the sorrow of losing your precious mother. May God bless each and everyone. Love and prayers, Neal and Glenna Robinson

“ Aunt Polly was one of the most beautiful souls. Of my summer vacations spent in WV, spending time with her was filled with so much fun .She had crafts and homemade chicken and dumplings. A laugh that you will never forget..My Mom loved spending time with her. Sending warm memories and love to her family .
