“ *I am so sorry for the family. You all are in my prayers. I know how close you all are and I know that your hearts are breaking. Randall always had a smile on his face and where ever he saw me he would take the time to talk to me and when Glen was alive he would always talk to Glen.If you ever need anyone to talk to I am just a phone call away. I can say that you all a a great family and have helped Glen and I so much and I appreciate all that you have done for me. I know that there is no words to help you but I do know that there is a God that can help you and he is always with you. Love you all so much and are in my prayers.*

“ So sorry for your loss. I used to work with him in the mines and always liked him. My nickname is Moose and about all miners had nicknames. When we worked together we called him Billy, after the manager of the New York Yankees Billy Martin, because of the way he loved to argue and go on about anything and everything. Will miss him.

I am heartbroken to hear of Randall's death. He was always kind & loving to me. Randall & The Martin Family will always hold a special place in my heart. Also, remembering the good times & laughter, together. I pray for his family & children, that God will comfort & give you healing & a piece of mine today & the days to come.
