Did Randall work for Island Creek coal co. He and his father n law in the deep mine in the head of turkey creek called long branch if so Randall and I worked together. I am terribly sorry for your loss Randall was a nice person a little mischievous at times but a nice person once again I'm very very sorry to hear this my name is Barry Kirk my dad was Clyde Kirk he was the mine foreman. I know he is in a better place may God bless his loving family

Barry Kirk - June 15, 2021 at 03:54 PM

Yes, Barry Kirk he worked with you at Island Creek. He had pancreatic cancer and was gone in less than three months. We have a big hole left in our lives now I think he bought a black VW from you yrs ago. We all loved him him dearly and he will be greatly missed. Thank you for your kind words and sending your message. This is from Frances White. I was using my granddaughter's phone.
