

Rebecca Davis Marcum

January 19, 1973 - August 11, 2024

Rebecca “Becca” Davis Marcum, age 51, passed away on Sunday, August 11, 2024. She was born on January 19, 1973 to her parents, James Christian and Betty Chapman in Williamson, West Virginia.

Becca leaves behind her two loving sons, Mason and Blake, her beloved granddaughter, Alaiyah, her sister, Jennette Collins (Tommy Prater), her step-dad, Gary Hatfield, her niece, Lena Sturgell, her nephews, Chris Sullivan and Ryan Sullivan, her special friend, Angie Hitchcock, and her special aunt, Avonelle Browning. She also leaves behind a host of other loving family members and friends.

Becca truly was a light to so many. She made so many impacts throughout her lifetime, helping a vast amount of people without even realizing it. She worked hard and went above and beyond for those through her job and her clients, always lending a helping hand. She was an avid animal lover, especially when it came to her pets. Becca was a 1991 Burch High School graduate, later completing her Master’s Degree in Psychology. Those who knew her, described her as “the life of the party”; she was outgoing, funny, and extremely smart. She loved people, but held a special place in her heart for kids; especially her two sons and her granddaughter. She will be missed dearly by all who were blessed enough to know her.

A memorial service will be held to honor the memory of Becca on Friday, August 16, 2024 at Chafin Funeral Home in Delbarton, West Virginia. Visitation will begin at 5:00 PM with a special service at 6:00 PM. In lieu of flowers, donations can be made to Chafin Funeral Home.

“ I could hardly believe my ears when I heard of her passing! "What", "How", "When"?!?! All of those questions try to come out all at the same time when you're shocked suddenly with that kind of news. So very sorry to hear it! 😞

I do have a few good memories of us when we were in school. I really liked "Becky". That's what we called her then. I especially remember Jennette, Becky, and I spending many nights over at Jennette's house. One involved "dressing up," or down rather, depending on how you look at it! We had a lot of fun together modeling lingerie, "jamming out" to some Motley Crew or Bon Jovi and doing a photo shoot! Hahaha! 😄 I know Jennette must remember that because of what happened to her nice, new crème colored Livingroom set!! 😄👂😄

Oh how we wanted to be adults so bad back then---what were we thinking!?

I also remember Becky had a love for creative writing in 9th grade. She wrote several absolutely beautiful poems and stories. I remember she wrote a few for me and "my first love" at the time. She was very talented, thoughtful, and caring! Becky was all the good things you can think about a beautiful young lady and more. I'm certain she will be sorely missed by all who knew her! I do wish I could've visited her sometime along the way after we all graduated high school, but life happened and scattered us all over the place! 😞

"Where does the time go?" That ol' cliché holds true for us all, doesn't it?

Rest in peace, my sweet friend!

To the family:

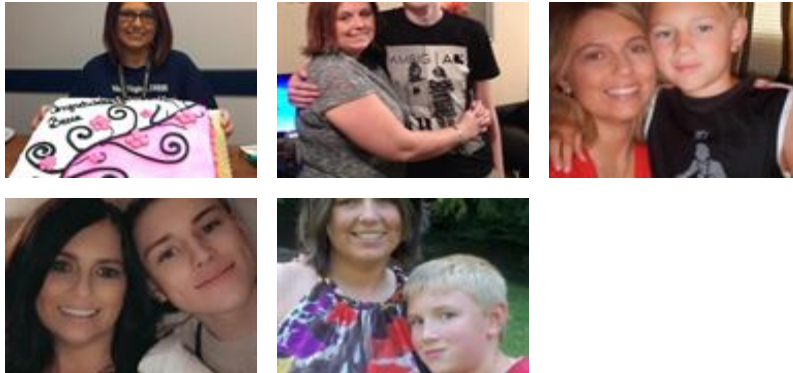

Please accept my deepest heart-felt condolences. You all will be in my prayers!

*Respectfully,
Debbie Evans Holbrook

It's so hard to believe that you are gone. I have so many fond memories of us as young teenagers...life happens so quickly. It's evident that you loved people and were equally as loved.

“ Becky worked with me at WVDHHR for many years. She later married my son and held a close relationship with the complete family. She adored his two children. She was well liked among all and had an abundance of friends thru the department. Our hearts go out to the family. Her life truly ended way too soon. Rest high on the holy mountain Becky. Will always love you and remember you.
