“ Lord where do I start, my sweet Renee u will forever be missed. We had so many laughs, cries and long talks at work. U was a true friend for sure, no matter what I told u it never got told to anyone else. Also one heck of a worker, even when u wasn't feeling good u still gave it your all, they don't make good workers like u hardly anymore and good friends. Just know u will forever be missed and loved. Rest easy sweet angel and watch over me as u sing with the heavenly choir. Love u dearly Renee

“ *I'll never forget the time you took me for a ride in the side by side...we rode slow for a little while & we talked & caught each other up on our lives.*

As soon as we got up into the hills, you looked at me & said "want me to go fast?" & you had this smile on your face that struck me...I thought it was the happiest/most genuine smile I had ever seen on you.

I said "yeah mama, let's get it" & from there we had a blast.

I will always remember you as the listening ear, the shoulder to lean on, the encouragement to do great things, the adventurous, loving, strong person that you were.

I will miss you beyond measure & I promise to cherish your memory & keep it close to my heart.

I love you circles...because circles never end.
