“ *Rhonda and I knew each other since we were eight years old. I can honestly say besides the Lord Jesus Christ saving my eternal soul she was the best thing that's ever happened to me. She encouraged me to always do the right thing even though sometimes I wouldn't as we all do. I can honestly say that I'm a better person today because God allow her to be my wife. I will be forever grateful for the gift of our time together. I can't wait to see your smiling face again where we'll never have to be apart. I love and miss you more than any words can possibly say. Your husband. Allen Bowers.*
