“ *Mickey and I grew up together, across the street from each other. We lost touch after we both moved away from Williamson. We had great times when we were kids.*

My condolences to his family.

“ Micky was a close childhood friend in the late 1950's. He was always upbeat, kind and a good friend. I will never forget the first time I saw him on the street tooting his newly selected WHS band instrument, a tuba. It was bigger than he was, but that was why he chose it. I have always cherished, and will always cherish his memory.

“ *Mickey was my brother in Christ. We became good friends he was my buddy always watched for me to come in church so he could tell me he loved me and if he needed fried apple pies always wanted me to make them for him. Him and Connie became very special to me. I will always remember him. Rest in peace my wonderful Buddy till we meet again*
