“ *Condolences from Richard Harris, son of Rachel and Bernie Harris.
My parents named me after Uncle Skip (Richard). I haven't seen
Uncle Skip since I was in elementary school. Skip was on military
leave and visited us in New York. I remember him as a kind and
gentle man who enjoyed serving his country while in the Air Force. I
think we shared a few commonalities; our name, our love for cars
and our service in the Air Force, from which I also retired. Rest In
Peace.*

“ *Rest in peace Uncle Skipper, we are all heartbroken to hear of your
passing. May God bless you, Aunt Lucille, Sharon, Crystal and all,
you are all in our thoughts and prayers.*

*Although it's been some time since we last saw you, I will always
remember your unique laugh and sense of humor, truly one of a
kind and you will be missed by all.*

“ To Lucille and the family from Pooch Webb Farley....remembering so very many good times we all had and the friendship we enjoyed as BHS classmates. Especially fond and lasting memories of the years you and I were growing up in the same neighborhood and able to visit and hang out in each other's homes. Lovely times together. God bless you always.

“ He bought the Delbarton house from me for his daughter and sometimes he would come by the insurance office when I worked there and we would talk some. I always liked Skip, he will be missed by all that knew him! My thoughts and prayers for his family and many friends!
