Just saw where Rita had passed and it saddens me so much. We worked together in the 70s for several years in the Dayton Ohio area. I will never forget her; we had a trust and loyalty at work and always had each other's backs. She could be so funny with her dry wit and humor but don't get on her bad side. If she got mad at you it was for good reason and there was no turning back. She was a hard worker and loyal friend. I haven't seen Rita in 40 years. I moved to Florida in 1981. She and many of our co workers attended our Dayton wedding in 1976 where one of our supervisors spun records with a fantastic stereo system and played DJ. It was a blast and just one of many good memories I hold dear of Rita. Rest easy friend.
