“ *I have so many wonderful memories of my uncle Robert, the best i can say is he was always wise and I loved learning from Robert. Growing up around Uncle Robert was one of the best part of my life and I will miss him dearly. Robert is with his sister Florence Ann Shelton (my mom) and he will watch over his daughter from heaven while he is enjoying the beautiful green grass and get together with everyone in heaven with him, he is happy, free and healed. Uncle Robert you are at peace, give everyone up there a kiss and hug for me, I Love you your niece Angela m Italiano*
