I remember Roger, Buzzy Caudill, Danny Curry, and myself Drag and many more all the time on those narrow roads all around where we lived and we would race several times a week and we all had fast cars, I especially remember the Road Runner that Roger had it was very fast. Roger will be missed by all that knew he was a good man. R.I.P. MY FRIEND

“ I remember we ran around together when I come home from
Vietnam in January 1971, we had some good times together. I think
we almost drove Sharon and Bobby nuts, but they were both good
to there brothers. I will never forget the kindness and patients they
showed us. Roger and I appreciate what they did for us. RIP
