“ *Uncle Roger, more than anyone will ever know, you will be missed. From Sunday breakfasts to your colorful meals to sharing, "Martha." For those who know who Martha was, we sure could use her now. You always had a smile no matter what was going on. For those that know you, we always put you at the end of a buffet line or Sunday afternoon all of us at Duffs. So many memories and so glad to have gotten to have them with you. Miss you and see you on the other side. Save us some of mam maw Sunday dinner. Love you, Uncle Roger, fly high and rest in peace!*

“ *It was a great pleasure to have you as my father in law, you have some awesome kids and grandkids and great grandkids that have brought so much joy to my life. Thank you for accepting me into your family like your own. You were intelligent and fun to be around. My favorite memory has to be "when foods fight back". You took a corn dog dipped it in mustard and smacked your face with it... like the commercial. The kids just loved it.... we all laughed so hard. You will be truly missed Dad!!! Love you!!!*
