“ *I miss you Rog. You was my bestfriend over anything and we shared more memories than I can count. I will forever cherish every moment we spent together and it will never be the same without you, all our series we binged watched, all our crying on each others shoulders and just being there 100% for one another we needed to be. I'm going to miss you so much. It's not goodbye but see you soon. Rest easy boo butt until we meet again* 📖💔💔💔🙏💋💋💋❤️👍
