A big special thank you to Teresa Dillion. She was the best neighbor and friend to my brother. I have one saved answer machine message where Teresa had brought him some soup beans and cornbread over. He told me on machine that he was going in to warm up his soup beans and bread. Then he said I'll talk to you tomorrow and I love ya. Thank you again Teresa. A wonderful friend.

“ My sweet brother Hootie. That is what I have called him since we were little kids. He was always loving and not a stingy bone in his body. Would help anyone that was in need. We as a family is left with lots of love and lots of wonderful memories of my brother. We have always been a very close loving family. His memory will always be kept alive in our hearts. He loved coming to Fl and Indiana to visit with his brother Philmore and family and sister Wanda and family.

I thank each that cared and loved my brother. On his 79th. Birthday the girls down at Isoms had him a little birthday party. Cake and balloon that said 79. Wonderful memories.

May Gods Peace and Love be with each that touched my brothers life in some way or other.

God Bless,

Wanda Newsome Scott
