“ I use to call her my second mom. She treated me well when Autry and I were growing up. I stayed many nights with them. Loved her and Gene. Even though I hadn't seen her in several years she will be missed. Prayers for Autry and his family for comfort during this difficult time. Terry Mahon

“ Sue cut my hair for several years back in the 80s. I always left there happier than when I would arrive. She was an absolute barrel of laughs. I'm sure that things will be a little dull for her family and friends with her passing. I remember good things being around her.

*My memories of Sue are so special. Great beautician. Gorgeous lady but mostly I remember her giving heart. She and Gene would cook for my Dad, Stewart Justice and were always his friends. Sue will be missed so much.*
