“ *I will never forget what Sara has meant to me. My favorite memory of Sara is when the kids were very young around Christmas time. We didn't have a car to get around in, the guy she was dating at the time did. Me and the kids were still sleeping. She woke me up around midnight telling me to get up we're taking the kids to see Christmas lights. I didn't know what was happening. I said Sara how are we going to take them to see lights, we don't have a car? Sara dangled keys in my face and said "we do now". This girl stole her boyfriend's car so we could take the kids to see Christmas lights. See that's the kind of mother she was, anything to make her kids happy...Even if it meant breaking the law. She was my best friend, my sister, an at times my headache, but I love her. She was wild as she was fun. Sara I'm sorry for not being there when you needed me the most. Love Always Sasha a.k.a Sharmane*
