“ *Until we went to church tonight we did not know about this. However, I can recall the many many times Sheila would come and want to eat or call and ask if I was cooking. If Ronnie and the boys were working for us she would come and help me with the dogs or the house. She was always great company and a good friend. But it is the laughter, I'll always remember. I'd tease her and we would play jokes on Ronnie. They were really good friends. Just rest for awhile, and we will see you when we too shall cross the river.*

“ *Sheila, so hard to believe you have left us. I miss a chat on FB, or you coming out to see me. always taking up for me to get a food basket for me, and heaven knows you were a go getter. Miss you already, Tash is really lost without you. But I guess this is where I let all know that you are flying up high. I love you girl! Karen*
