

Sherry Lynn Justice

August 20, 1971 - June 13, 2023

Sherry Lynn Justice's soul left its body peacefully on June 13th, 2023, in Louisville KY after a battle with Lung Cancer that was detected much too late. Sherry was born on August 20th, 1971, in Williamson, WV. She was 51 years old. She passed surrounded by a family that showed constant love until the very end.

In Sherry's home, years working as a bartender, and social life, she strived to live life to the fullest, make memories with those she loved, and treat life like its one big party or adventure. Through most of her life, Sherry greatly enjoyed spending time with friends and lived a loving, carefree life. She did seem to slow down the last couple of years, but she never really stopped living her adventure with life, love, and being with loved ones.

Sherry was preceded in death by her beloved mother and father Lena Hunt and David Hodge, and it is Sherry's wish for her ashes to be spread equally on each parent's grave. Sherry is survived by her companion of 7 years Mark Sammons, her treasured, sweet dog Jasper, brother Ron Hunt (Glenna Hunt), sister Glenna Price (Chris Price), and brother David Hunt (Erin Hunt). Survivors also include many nieces and nephews: Nicholas Hinkle, Amanda Hunt, Nena Hunt, and RJ Hunt. In addition, Sherry is survived by numerous aunts, uncles, and friends from many different states that would be too many to list, including high school best friends Crystal Conley and Alice Hannah and long-time friend Todd Dotson.

There will be a memorial service for Sherry at Chafin funeral home in Delbarton, WV, on Tuesday, June 20th. Family may come at 4 pm, friends and public at 5 pm, and there will be a short service at 7pm.

“ When I was 9, I was asked to move Sherry's brand new blue Ford Ranger, her first car. I let it roll into the house because I didn't know where the brake was. She wasn't mad at me about the truck, but she was mad at Dad for getting on to me and asking me to move it in the first place. It was a bad experience, but we always laughed about it later.

“ As children Sherry and I were only 6 months apart, she was older for half a year. Sherry and I were close, I am grateful to God that we were able to get back to when our relationship was good. We exchanged photos and talked online. Sending prayers and love ❤️ for our whole family.

“ In about 1997, Sherry and I put ketchup on her leg after we took the trash out and faked a snake bite. She laid in the road. I got our mother Lena, carried Sherry in the house, and mom started calling for help. I busted out laughing, Sherry did too, and Mom threw a dishrag at me, and said "What's so funny about this?" She may have even slapped me. She thought I was laughing at Sherry for getting bit. Sherry and I got a big kick out of it. Mom not so much.
