“ He was such a great friend for all my life that I can remember. I'll never forget the wood planes he made for me when I was about 4yrs old....he was supposed to make me one to put up and keep but time has not allowed it. I also remember him and dad sending me in the chicken pin to catch a bitty and dying laughing when the hen floged me. He help build my front porch and has just been a wonderful friend to the whole family. We send our love and prayers to his wife and family. May God comfort and keep you always. Much love.

We have know Terry for over 40 years and he was always a friendly person. Never met a stranger and could talk for hours. He loved kids and people in general. He was always good to us and our boys enjoyed going around him because Terry liked to work with animal mounts (taxidermy). Our boys found that interesting. Terry will truly be missed in our neighborhood . Rest in Peace Terry!
