“ Hi, Debbie and Family, I am So Sorry to hear of Tommy's passing. He was a great man. I will always remember his laughter and joking with everyone. One of my fondest memories of you and Tommy were when you were dating and I was a little girl at Mamaw's house. You and Kathryn would be getting ready to go out with Tommy and Mike and you would put me in front of the Mirror and comb my hair or let me comb yours and you would put lipstick on me and Tommy would tease me when he would come in. He'd tell me I was pretty and ask me when my boyfriend was coming. I also remember when you had the kids and you all came to Cleveland and we went to Geauga lake and Sea World. We had so much Fun. I always wanted to be Happy like you two were. I Love you both so much. Tommy will be greatly missed by many but he left behind a wonderful legacy and many Happy memories. Our wonderful memories are God's gift that get us through these hard times and knowing that we have a promise of seeing our Loved ones again in Heaven. R.I.P. Dear Tommy. I love you all Debbie and family. May God Bless you with Peace. Love Kim.

“ I hate to hear this news. What a man of God he was and loved others so well. Every time I came to visit your church to sing he welcomed me and made it a point to make me laugh. You know I will never forget when he drove his motorcycle in the church - that was one of my favorite memories while traveling and leading worship! Praying for the entire family as you grieve the loss but celebrate his way to heaven!
