“ *Bridgett and Marcum family, I am so sorry to hear of Tom's passing. I will never forget Tom, you and the Marcum family & friends that stood by my side during Doug's sickness & death. Doug would love to talk about Tom & family about things happening as they grew up, together. Especially, when he carried Tom on his shoulders because he got tired from walking. Furthermore, because he was the baby, and their Mom would get upset if Tom wasn't cared for. So many memories of the good old days that his brother, Doug spoke of often. Now, in Heaven, they are united, forever I will not be able to attend Tom's Memorial Service, due to being quarantine due to Covid. All of you have my love & prayers. Especially, on the day of his service and the days that follow. Love each and everyone of you. Dreama Marcum*
