“ Toney was always so willing to help anyone. He had such a quiet way about him that you sometimes forgot he was around but he would always be there when anyone needed him. Sad and sorry for Pat and family. The Mahone family has suffered tremendous loss and I pray the hurt lessens as time goes on and that fond and grateful memories will be what remains. No more shackles, no more pain, freedom for Toney.

“ *Patty,I 've lived see a lot of moments my life,including own parents passing away. But I have to say that seeing his time is just as sad for me. Toney was the most humble and fairperson I've ever known. I'm at loss for words and can't begin to imagine what you and the kids are going through. You have my familys deepest sympathy and if you need anything,please call,send someone or whatever but just let me know.*

Love and prayers sent from aunt Beulah and cousin Barbara. Mom and I will not be able to attend the services due to mom,s medical problems. You will be in our thoughts and prayers. Mom still calls me Georgia. It doesn't sound strange anymore. She loved her very much and misses her. We pray God will keep his arms of comfort around all of you at this time and in the future. God be with you always.
