“ *Tracy was a beautiful soul, inside and out. I will always remember the fun times we had all through school. She taught me "buckets and candlesticks" (even though I was in no way a cheerleader). She will be forever loved and missed. All love and prayers to the family.*

“ Tracy was an active and loved member of RBUT - Reading Bring Us Together, a Facebook book discussion group. Her participation went far beyond the book discussions and so I was lucky: In Tracy I got a book friend from the other side of the world - though it never felt we were that far apart. She will be greatly missed.

“ I’m sitting here with the heaviest of heart and at a loss for words. Tracy was so passionate. So passionate. And such a fighter. But the thing I loved most about her was how much she loved her son. She will be dearly missed. Godspeed, Tracy. Love you, Kim Holden
