“ I loved Vernie so much. Lynn and I were talking about memories with her today and one time came to mind that we just laughed about. Lynn and Ronny and Mom lived in the cinder block house in, Chattaroy just next to the Copley’s and Vernie came over to visit. She and Lynn were always goofing around, I can see them now Lynn with her dark short hair and Vernie with her brown short hair.. They did everything together it seemed even their hair the same....anyway....the two of them were primping in the mirror in the bedroom dancing around, hold their bellies in to be smaller...as if they needed to, they were both smokin hot! Anyways Vernie had her hands on her waist complaining about not having a chest and all of a sudden she flipped her shirt up, sucked her belly in and jerked her bra down over her ribs and said now I’m not flat, my ribs are bigger than my boobs! We laughed so hard I can still see that sheepish smile on her face and Lynn laughing so hard I think she almost peed herself....she was just like Mom ..she peed herself every time she got tickled....

It was a memory I think of often and the beautiful smiles on Lynn and Vernie’s faces I will remember always. Oh to be young again...and she is now up in ...God bless you Vernie I know you are so happy with all the family... til we meet again....
