“As a friend of Bert's of which we worked in the mid 1970's @ Pontiki Coal Corp., I send my best to his family of which I truly know he so loved". "He told me many times of his love for all of you, "his family". As within our coal mining "family" albeit, "I loved Bert dearly in that respect". "Truly a good man and truly a great friend of which I take great pleasure in knowing". I ran the cutting machine where we worked and Bert shot coal so our time together was in close proximity of each other for those who might know coal mining as then. "I'll not say goodbye in that I'll only say, "Brotther Bert I'll see you again and we'll coal mine again in Heaven one day as I leave the wonderful testimony as you have left with us here"...."God Bless the family that Bert so loved is my Prayer"!!!
