Know matter where our paths crossed he and Teresa always spoke and asked about everyone. What a heavenly gain for God; Many prayers' for each of you as the days and weeks to come will have difficulties as you begin to try and piece your lives back together.

“ I have known Bill And Teresa for years. Bill always had a smile on his face and a kind word to say. I guess you could say Bill helped out in me getting a college degree. I was young and didn't have a car and I bummed rides to and from college from Bill and he was always a perfect gentleman. I have never heard anyone say a bad word about him. He and Teresa were our neighbors for several years over in the bottom. I will miss seeing him at the ballgames. I am praying for Teresa and the boys for comfort during this difficult time. I know it will be hard but with Gods help everything will be ok. Love you all.

“ Bill and Teresa have been 2 of my best friends for may years. We spent a lot of HAPPY HAPPY days at church and Sunday school (Easter Egg Hunts, volleyball, white water rafting trips, and as of the past few years Class reunion picnics.) The conversations never ended. I feel certain Teresa and I will be talking till we join Bill and all our other family members and loved ones in Heaven because we already have citizenship there. This is not our home here any more. With each one that passes these last trials on Earth, the pull to Heaven's shores get a little stronger. "So if we go by the grave or in the rapture The face of Jesus we see, either way Lord it satisfies me!"
