“ *My heart truly aches for all of Williams family and friends, I (Heather) grew up with william in school, he was always such a good boy And always knew how to make people laugh. I pray the Lord will comfort his family,kids, and friends through this terrible time. It breaks my heart, no parent should have to endure the pain of losing there child, and I know all to well how it feels to lose a parent. All who knew William was blessed by his friendship. I am so sorry for your loss and will continue to pray for his family and all who knew him.*
