“ Words can't express how I'm feeling right now;after losing someone, who was like a brother to me;and, yes, he done what he could, to help someone, if they truly needed it.. He always called me his "sissy", and coming from him, meant a whole lot.... When I found out about his passing, I was in a state of shock.. but as it says in the Bible, "all young men's hearts will fail them".... To his family, including his wife, Sally,(who was like a sister to me;as we shared the same birthday), my thoughts, and prayers, goes out to each, and everyone of you, during this tragic time... Much love and prayers... Tina Maria Stanley Toler...

“ William was the best customer we have ever had. He was more than just someone we sold gas to, he became a good friend to us all. We saw him on a daily basis.. and always looked forward to it. William, you will remain in our hearts forever, leaving an impact that will last far beyond that job. I will try to keep that smile on my face that you always made a point to form. You were an awesome person, and we'll be lost without you.. Thank you for all you've done.. I know you're now at rest and at peace, you've worked hard for it. 'Our condolences to you're family and friends, they are lucky to have you. Love and miss you always. - Ashley, and One Stop Crew.
