“ Such a wonderful soul who left this Earth way too soon. Kevin was always so good to me and we talked at great lengths about our shared love for animals. The last time I saw him, he had the biggest smile on his face....I mean it literally glowed! I choose to remember him this way, smiling and upbeat. No doubt you are with your beloved fur babies who have gone ahead of you, my dear friend ❤️

“ *I remember good times at UK with Kevin. He would call Andrea and I to come hang out with him - be it to study, have dinner, watch a basketball game or just have fun. He had such a big heart and was just an awesome person to be around. I have yet to wrap my head around what has happened, but I know he is now hanging out having fun with Andrea.*

“ Its not often you get to have a friend like Kevin. To have a friend like this since kindergarten in 1976 to just 2 weeks ago is a true gift from God and I will cherish his memory the rest of my life. We shared many many laugh's throughout the years. Kevin was caring soul as many who knew him knew this also. Kevin was a huge part of my life and I still can't believe he's gone. I can only imagine the beauty he is seeing right now.

“ I went to school with Kevin when I was at Matewan. He always had a sweet smile on his face and I knew that if I needed anything, Kevin was right there. I was shocked when I heard of his passing. Kev, know that you'll no longer have to battle any thing that will hurt you. You've faught the fight and won the race to eternal happiness. May you forever dly high and spread your wings to Glory. It's time to rest my friend. You'll never be forgotten. Love you to the Heavens and back Kevin. This isn't goodbye, just see ya later. R I P Kevin.

“ We are heartbroken to hear of this. Kevin was one of the biggest hearted people we know. When they were on a high school trip to France, the airlines list my son's (Calvin Damron) luggage. Kevin shared his clothes with him until the last day they were there. He will always have a special place in my heart for the kindness he showed my son. Such a tragedy that his life was so short. Such a wonderful young man. Our prayers are with Ann, Woody, Kim and all the family 🙏🙏🙏💔💔💔💔

I am so sorry at Kevin's passing.
From his days at Matewan High School to our

“ I am so proud of Kevin. He turned his life over to the Lord and he
love talking about God. We had several discussion and I really
enjoyed it.
I just told his dad the day before how good Kevin was doing and
how proud I was of him.
I miss those talks. I know God needed you.
